5. All boats must be removed from the marina prior to the fourth Monday in October. A per night fee may be assessed for late removals as determined by Operator. In addition to such fee and all other remedy available at equity or law, Operator may remove any boat or equipment from the licensed dock space and, in the event Tenant fails to claim any items after thirty-days, take all sale and disposal actions permitted under the New York State Abandoned Property Law.
6. Slips and docks shall be kept neat and orderly and must be kept clear of all gear, tackle, rubbish, and other obstructions. A per diem rate shall be assessed by operator in its discretion for any items or equipment not removed upon such termination.
